

The band has sax appeal.

# Stray Katz on the prowl downstairs

## Grappa's Cellar

The 18-piece Stray Katz Big Band, formed 15 years ago, has played at most of Hong Kong's prestigious venues and events.

For the past 18 months, the Katz have had a regular spot at Grappa's Cellar, Jardine House,

every first Saturday night of the month.

The musicians come from all walks of life and are a mixture of amateurs and professionals who play a wide variety of music, from Ellington to the Blues Brothers.

Local musicians often drop in to Grappa's when the Katz

are wailing, to sing or jam – and everyone has a good time.

Last December, the Stray Katz closed the annual Operation Santa Claus charity event, and this month they will play for the opening, on The Peak.

At Grappa's you can book a table for your party or just

drop in and enjoy the atmosphere. The Stray Katz will be playing tomorrow from 8pm to midnight and on December 3.

*Grappa's Cellar is at Jardine House, 1 Connaught Place, Central. For reservations, call 2521 2322.*
